

## 2013 RAD-AID Conference on International Radiology for Developing Countries

The Fifth Annual 2013 RAD-AID Conference was a great success! The Conference was held on **Saturday, October 26th at the Johns Hopkins Hospital in Baltimore, Maryland.**

Photos, and agenda are below. CME and CE credits were available for MDs, Technologists, Nurses, and Sonographers courtesy of ACR, ARIN (via Georgia Nurses Association), and SDMS, respectively. See the bottom of this page for CME credit allocations and accreditation statements. If you have questions about the conference, please email [info@rad-aid.org](mailto:info@rad-aid.org).

---

### Agenda & Photo Summary

The RAD-AID Conference is an interdisciplinary meeting consisting of 5 panels: (1) Economic Development for Global Radiology, (2) Public Health for International Radiology, (3) Clinical Models for Imaging in the Developing World, (4) Educational Strategies for Radiology Outreach, and (5) Technological Innovations.

#### **7:30-8:30 Breakfast, Meet and Greet**

#### **8:30-8:55 Opening Remarks and Introduction**

Introduction: Meeting Overview, Agenda, and Objectives: Daniel J. Mollura, MD. President & Chief Executive Officer, RAD-AID International (photo not shown).

#### **9:00-9:55 Economics of International Radiology: Economic Planning for Medical Imaging**

9:00-9:15 Sarah Iosifescu, RAD-AID, Health Care Economic Development Program Manager: Microfinance for Healthcare Training: RAD-AID launching initiative in Kenya (photo third from top left)

9:15-9:30 Anna Starikovskiy Nordvig, RAD-AID: Operational Lessons from India in RAD-AID PGIMER Asha Jyoti from Mobile Women's Imaging

9:30-9:45 Jonathan Mazal, RAD-AID International; Country Reports for Interdisciplinary Analysis and Planning of Radiology Outreach Projects

9:45-9:55 Panel with Audience Comments and Q/A

### **10:05-11:20 Public Health International Radiology: Radiology and Global Public Health Objectives**

10:05-10:20 Pablo Jimenez. Regional Advisor in Radiological Health Medicines and Technologies, Pan American Health Organization, World Health Organization (PAHO/WHO): International Radiology Objectives of the WHO and PAHO/RAD-AID Partnership (seated second from left in panel photo)

10:20-10:35: Kathy Duncan, Board of Directors, Association for Radiologic and Imaging Nursing: Building International Networks for radiology and nurses for health care systems (seated fourth from left in panel photo)

10:35-10:50 Devin Caywood, Update on WHO/RAD-AID outreach for Latin

America: Building a Radiology Public Health Infrastructure. Examples of RAD-AID projects in Guyana, Jamaica, and Haiti (seated leftmost in panel photo)

10:50-11:05 Liz Arnold, Director, Gundersen Global Partners (seated third from left in panel and in podium photo fifth from top left).

11:05-11:20 Panel with Audience Comments and Q/A (photo fourth from top left).

### **11:25-12:35 Clinical Models of Imaging in Developing Countries Part A: Assessment and Planning for Project Development**

11:25-11:40 Seth Quansah, RAD-AID Ghana Program Manager, presenting with Henry Swett, MD. RAD-AID Ghana Program Development (first and third from left in panel photo, respectively, and podium photo at right).

11:40-11:55 Vikram S. Dogra, Medical Imaging Partnership: Ultrasound Models for Africa (seated second from left in panel photo)

11:55-12:10 Robin Sobolewski, University of Pittsburgh: Ultrasound for Cape Verde (seated rightmost in panel photo and podium photo 7th from top left).

12:10-12:25 RAD-AID Haiti: Ryan Sydnor, Director of International Program Development and Haiti Program Manager: Progress in Haiti

12:25-12:35 Audience Comments and Q/A (photo 6th from top left)

**12:35-1:15 Lunch (provided free at conference site)**

**1:15- 2:25 Clinical Models of Imaging in Developing Countries (Continued).** Project Development -

Part B: Implementation and Follow Up

1:15-1:30 Anthony J. Dean, PURE. Ultrasound and

Emergency Medicine in Rwanda

1:30-1:45 RAD-AID Presentation on Mobile Women's Imaging; Kathryn Everton and Anna Starikofsky, Co-Directors of RAD-AID India Program, Asha Jyoti. Presentation and/or panel may also include Dr. Tulika Singh of Post Graduate Institute of Medical Education and

Research (PGIMER) Chandigarh, India. (Dr. Singh seated leftmost in panel photo)

1:45-2:00 Samir S. Shah, Assistant Medical Director, Virtual Radiologic. Humanitarian Teleradiology: Challenges, Opportunities and Progress (seated third from left in panel, podium photo 9th from top left).

2:00-2:15 Allen Swanson, Waleed Brinjikji and Paul Heideman, Mayo Clinic and RAD-AID Mayo Clinic Chapter: Radiology Assistance to Syrian Refugees in Turkey (panel photo at right, Dr. Brinjiki in podium photo 8th from top left).

2:15-2:25 Panel with Audience Comments and Q/A (panel photo second from top right).

## **2:35-4:00 Education of Imaging Personnel in Domestic and International Health Care**

2:35-2:50 Melissa Culp, Director of RAD-AID Technologist Program: Outreach in Malawi for Technologist Training and Program Development

2:50-3:05 University Chapters Program and Bringing International Imaging to Radiology

Residencies, Ali Tahvildari, MD, Faculty Advisor RAD-AID Chapters Network. (podium photo at top left)

3:05-3:20 Kristen DeStigter, Innovation in Uganda for Training Remote Ultrasound Personnel; Imaging the World.

3:20-3:35 Brad Short, American College of Radiology. Global Radiology outreach models from ACR (photo tenth from top left).

3:35-3:50 Panel with Audience Comments and Q/A

## **4:10-5:00: Technology Solutions For International Imaging**

4:10-4:25 Julia Geer, Clear  
Canvass; Tarek S. El-Shayal,  
East Africa Aid Foundation:  
PACS in the Developing World:  
Technical Cooperation in Ghana  
(Julia Geer photo 11th from top  
left)

4:25-4:40 Brian Choi, Co-Director, Advanced Cardiac Imaging, The GW  
Heart and Vascular Institute: Cardiovascular Imaging Technologies in the  
Developing World.

4:40-4:55 Chris Steelman, RAD-AID Instructional Technology Manager:  
Online learning for global radiology development (photo third from top  
right).

4:55-5:00 Panel with Audience Discussion and Q/A

### **5:00-5:30 Wrap-Up, Summary and Future Plans: White Paper Development**

This session is all devoted to audience discussion of conference content.  
Moderator: Daniel J. Mollura, President and Chief Executive Officer, RAD-  
AID

#### **ACR Accreditation Statement:**

This activity has been planned and implemented in accordance with the  
Essential Areas and policies of the Accreditation Council for Continuing  
Medical Education through the joint sponsorship of the American College of  
Radiology and RAD-AID International. The American College of Radiology is  
accredited by the ACCME to provide continuing medical education for  
physicians.

#### **Credit Designation Statement:**

The American College of Radiology designates this journal-  
based **CME activity for a maximum of 8.0 AMA PRA Category 1  
Credit(s)**<sup>™</sup>. Physicians should claim only the credit commensurate with the  
extent of their participation in the activity.

#### **ARRT Accreditation Statement:**

The American College of Radiology is approved by the American Registry of  
Radiologic Technologists (ARRT) as a Recognized Continuing Education

Evaluation Mechanism (RCEEM) to sponsor and/or review Continuing Medical Educational programs for Radiologic Technologists and Radiation Therapists.

The American College of Radiology designates this educational activity as meeting the criteria for up to 7.50 Category A credit hours of the ARRT.

**Nursing Accreditation Statement:**

This continuing nursing education activity was approved by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, for 5.0 Contact Hours.

**Sonography Accreditation Statement**

This education activity was approved by the Society of Diagnostic Medical Sonography (SDMS) for 10 credit hours.
